Version updated on March 6th, 2024

PREFACE

The 33rd edition of Paris half-marathon, the Harmonie Mutuelle Semi de Paris, (hereinafter **the Event**) is organised on Sunday, March 9th, 2025 by Amaury Sport Organisation (A.S.O.), a French *Société Anonyme* with a share capital of €61,200,240, registered at the RCS de Nanterre under number 383 160 348, and whose headquarters are located in Boulogne Billancourt Cedex (92650), Bâtiment Quai Ouest, 40-42 quai du point du jour, CS 90302, France (hereinafter **A.S.O.** or the **Organiser**).

The present document describes:

- (i) the sports rules of the Event (hereinafter the **Rules**),
- (ii) the general terms of sale applicable to any order of products or services relating to the Event made with the Organiser through the intermediary of the registration platform *time to* (hereinafter **A.S.O.'s General Terms of Sale**).

The terms "you", "your" and "yours" refer to you, the participant or consumer and/or his legal representative or legal guardian (over the age of 18) if the participant or consumer is a minor in his country of residence.

Your registration for the Event implies your express and unconditional agreement of these present Rules and A.S.O.'s General Terms of Sale

Only the legal representative of a minor may register this minor for the Event. Therefore, if parental authority is exercised jointly, the minor's legal representative guarantees the Organiser that the other holder of parental authority has read and accepted this document without reservation.

This document completes the Terms of Use for the on-line registration platform known as *time to* (hereinafter **time to**), accessible at the address www.timeto.com/terms-of-use.

In the event of a contradiction between the *time to* Terms of Use, these A.S.O.'s General Terms of Sale, and the Rules, the Rules shall prevail over A.S.O.'s General Terms of Sale, which will in turn prevail over the *time to* Terms of Use.

The Organiser may revise and update A.S.O.'s General Terms of Sale and the Rules at any time; make sure to check them regularly. Any changes which are made apply immediately after notification, through any means including, but not limited to, publication of a revised version hereof on the Event's website <https://www.harmoniemituellesemideparis.com/en/>. In the event of significant changes to the A.S.O.'s General Terms of Sale and/or the Rules, the Organiser will strive to inform you by email at the address provided on *time to*.

N.B.! Role of *time to*:

The *time to* website, through which you placed your order, allows professional sellers and organisers to list and sell their products and services. Although the *time to* platform facilitates the

transactions carried out on it, *time to* is not the seller or organiser of the products and services relating to the Event.

Consequently, for the sale of products or services relating to the Event, a sales contract is formed solely between you and the Organiser. The Organiser is responsible for the sale of products or services relating to the Event and for any claims or other problems arising out of or in connection with the contract of sale between you and the Organiser.

1.6.1. Official Jury

The Event benefits from the FFA national label.

The official jury is made up of an FFA referee, whose decision is final. He is assisted by judges and race marshals, also appointed by the FFA.

1.6.2. Chronometry, ranking and reward

The Event is timed. An electronic chip in the form of a strip will be attached to the bib of each participant. This chip will be initialised automatically at the start line and will be used to check the regularity of the race each 5Km and at the finish. To ensure normal operation, the chip must not be bent or damaged. A participant who does not follow the course, marked out by the Organiser by human and/or material means, or who crosses the finish line without a chipped bib, will not be classified at the finish.

The electronic detection system is selected according to strict reliability criteria. Despite the tests carried out by the manufacturers, there is still a very small percentage of non-detection. The absence of data resulting from this non-detection will not allow the Organiser to include the official or real time of the participant concerned in the classification. The Organiser cannot be held responsible for this.

Age categories will be ranked separately in agreement with the FFA.

1.6.3. Respect of the start waves

The start will be given in waves. Each participant must be at the start of the Event at the time indicated on its registration confirmation.

The Organiser has authorised all members of the organisation (volunteers, A.S.O. employees, etc.) present in the start area to ensure that the start waves allocated to each rider are respected. Any participant who refuses to enter the start wave (or a higher wave, at the Organiser's discretion) allocated to him may be subject to time penalties or excluded from the Event.

Each participant will have access to the refreshment points set up at KM 6, 12, 16 and after the finish line.

By taking part in the Event, you authorise any doctor to carry out or have carried out any medical and/or surgical intervention in the event of an emergency and/or to prescribe any treatment made necessary by the condition of the participant in the event of an incident.

Under no circumstances shall the Organiser be held liable for any participant who is unable to finish the course as a result of a decision taken by these general services.

1.8. ACCES TO THE SITE AND SECURITY

The introduction onto the Event site of any object likely to be dangerous or illegal, in particular drugs, firearms, blunt objects and explosive materials, is strictly forbidden.

In order to gain access to the Event site and to be able to take part in the Event, the participant expressly acknowledges and accepts that security personnel are authorised by the Organiser to control persons and their personal belongings and agrees to submit to this, failing which he will not be authorised to access to the Event site or to be able to take part in the Event.

The Organiser and the security staff are entitled to refuse access to or continuation of the Event to participants who do not comply with the provisions of these Rules or whose behaviour is likely to damage the image of the Event or disrupt its smooth running, in particular and without limitation: fraudulent behaviour at the time of the sale of bibs, introduction of any object which could potentially hinder in any way whatsoever the progress of the Event, traffic and/or the safety of other participants; introduction of any distinctive sign promoting, in any form whatsoever, a political, philosophical or religious opinion likely to damage the image of the Event or disrupt its smooth running; abnormal, inappropriate or amoral behaviour by the participant, particularly if the latter appears to be under the influence of drugs or alcohol.

1.9. RETIREMENTS AND TIME LIMITS

Except in the case of injury, any participant wishing to retire must, as far as possible, contact a member of the organisers, who will invalidate his bib.

In order to ensure the safety of the participants and to enable the reopening of the roads to traffic to be planned, the participants will have a maximum time of 3 (three) hours from the last participant crossing the start line to complete the route to the finish line. Any participant who exceeds this maximum time or who is overtaken by the end-of-event device (consisting of the Organiser's vehicles) will be disqualified and will then have to travel under their own responsibility, without any form of assistance from the Organiser (medical assistance, refreshments, etc.) and in compliance with the traffic regulations of the French Code de la route.

1.10. INSURANCES

Civil liability: In accordance with current legislation, the Organiser has taken out an insurance covering the financial consequences of its civil liability, that of its employees and that of all participants in the Event. With regard to the civil liability of the participants, the intervention of this insurance for the latter is limited to accidents that they may cause during the Event.

Compensation, depending on the damage and the cover limits chosen, is paid if the insured person is the victim of an accident while taking part in the Event.

THIS INSURANCE IS OPTIONAL BUT STRONGLY RECOMMENDED. It may be taken out in addition to, or as an alternative to, insurance of the same type held in particular via a sports licence.

Such insurance can be taken out, at the time of registration, with the insurer of your choice or with the broker MARSH, whose offers can be found here: <https://aso.sam-assurance.com/semideparis>. If you have any further questions, please contact Marsh (relationclient.aso@sam-assurance.com).

Material damage: The Organiser declines all liability in the event of damage (theft, breakage, loss, etc.) to participants' personal property, even if the Organiser is responsible for its supervision. This applies in particular to any damage suffered by the participant's personal belongings while they are left in any lockers set up by the Organiser during the Event. Participants may not claim against the Organiser for any theft of or damage to their equipment. It is the responsibility of each participant to take out insurance to cover these risks.
