PREFACE

The 7th edition of Paris-Nice Challenge, (hereinafter **the Event**) is organised on 9 March 2024 by Amaury Sport Organisation (A.S.O.), a French *Société Anonyme* with a share capital of €61,200,240, registered at the RCS de Nanterre under number 383 160 348, and whose headquarters are located in Boulogne Billancourt Cedex (92650), Bâtiment Quai Ouest, 40-42 quai du point du jour, CS 90302, France (hereinafter **A.S.O.** or the **Organiser**).

The present document describes:

- (i) the sports rules of the Event (hereinafter the **Rules**),
- (ii) the general terms of sale applicable to any order of products or services relating to the Event made with the Organiser through the intermediary of the registration platform time to (hereinafter **A.S.O.'s General Terms of Sale**).

The terms “you” “your”, “yourself” and “yours” refer to you as a participant or consumer or as the parent or legal guardian (over the age of 18) if this participant or consumer is a minor in their country of residence.

Your registration for the Event implies your express and unconditional agreement of these present Rules and A.S.O.'s General Terms of Sale.

Only the legal representative of a minor may register this minor child for the Event. If parental authority is exercised jointly, the legal representative of the minor child guarantees the Organiser that the other holder of parental authority has read and unreservedly accepted this document.

This document completes the Terms of Use for the on-line registration platform known as *time to* (hereinafter **time to**), accessible at the address www.timeto.com/terms-of-use.

In the event of a contradiction between the *time to* Terms of Use, these A.S.O.'s General Terms of Sale, and the Rules, the Rules shall prevail over A.S.O.'s General Terms of Sale, which will in turn prevail over the *time to* Terms of Use.

The Organiser may revise and update A.S.O.'s General Terms of Sale and the Rules at any time; make sure to check them regularly. Any changes which are made apply immediately after notification, through any means including, but not limited to, publication of a revised version of these General Terms of Sale and Rules on the Event's website <https://www.timeto.com/sports/cycling/paris-nice-challenge-2022>. In the event of significant changes to A.S.O.'s General Terms of Sale and/or the Rules, the Organiser will strive to inform you by email at the address provided on *time to*.

N.B.! Role of *time to*:

The *time to* site, through which you have placed your order, enables sellers and professional organisers to list and sell their products and services. Although the *time to* platform facilitates transactions carried out on it, *time to* is not the seller nor the organiser of products and services relating to the Event.

Consequently, the sale of products or services relating to the Event, other than the Travel Service, a sales contract is formed only between yourself and the Organiser. The Organiser is responsible for the sale of products or services relating to the Event and any claims or other problems arising or connected to the sales contract between you and the Organiser.

I. SPORTS RULES

These Rules apply to all participants in the Event. They form an integral part of the General Terms of Sale referred to above.

In the event of a conflict between A.S.O's General Terms of Sale, the provisions of the Rules will prevail.

1.1. THE ROUTE

Paris-Nice Challenge is a cyclo sportive event which will be held on Saturday 9 March 2024 on the route of the 8th stage of the 2024 edition of the professional cycling race Paris-Nice, completing a Nice-Nice loop.

During the Event, at a point on the route to be communicated later by the Organiser, participants will have the opportunity to make an **optional** ride to the Col de Braus, which will be used by the route of L'Etape du Tour de France 2024 (20 km ride, including 10 km at 6.6% and 650 m of positive ascent). After a certain time to be communicated later by the Organiser, participants will no longer be able to make this ride for logistical reasons. It is specified that this optional extension will be carried out under the same conditions as the rest of the route of the Event, i.e. on roads open to traffic, in compliance with the rules set out in the French Code de la route and with the presence of safety personnel.

This Event is essentially organised on roads open to traffic, in compliance with the rules set out in the French Code de la route.

The event will cover a distance of around 110 kilometres.

Details of the routes will be posted on the Event's website and social networks at a later date.

1.2. PARTICIPATION CONDITIONS – LICENCE – MEDICAL CERTIFICATE

To take part in the Event, you must be at least eighteen (18) years old at the latest on 31 December 2024.

It is reminded that checks will be carried out during the Event to ensure perfect conditions of regularity, particularly with regard to age requirements.

This non-timed Event does not require a medical certificate or licence. However, the Organiser draws the participant's attention to the fact that he will have to make efforts that are sometimes intense and/or continuous over the entire distance of the course and that he must remain vigilant in order not to injure himself.

The participant therefore guarantees to be in good general health and acknowledges the risks inherent in taking part in the Event, as in any sporting event.

1.3. HEALTH PROTOCOL - CONDITIONS OF PARTICIPATION RELATED TO THE COVID-19 EPIDEMIC

In order to ensure the health safety of participants, the Organiser may issue a health protocol (hereinafter **Health Protocol**) and in particular introduce an obligation of provision of a document proving the participant's non-infection by the COVID-19 virus.

The participant must strictly respect the aforementioned Health Protocol and acknowledges the Organiser's right to refuse participation/access to - or to exclude from - the Event any participant infected by COVID-19 or for non-compliance with the aforementioned measures without the Organiser's liability being engaged or sought as a result.

You will be informed of the provisions of this Health Protocol by a communication sent to the e-mail address provided during your registration to the Event on *time to*.

Regarding the above-mentioned document attesting to the non-infection by the COVID-19 virus to be presented to the Organiser to have access to the Event:

The nature of this required document will be determined by the Organiser, taking into account elements including the requirements of the competent authorities and the state of scientific and technical knowledge, in particular screening, on the day of the Event.

It may in particular consist of a sworn statement of non-infection, a PCR or antigen test results or any other type of test performed within an appropriate time frame prior to the Event, which will be specified.

This document contains health data, which will only be viewed/consulted by the competent personnel of the Organiser when collecting the bibs and/or during the Event.

None of this data will be retained by the Organiser.

1.4. BIB COLLECTION

Bibs must be collected, upon presentation of the following documents:

- Your notification letter, which can be downloaded on your *time to* account and/or sent by email before the Event.
- Your official, valid identity document.

Bibs can only be collected in the dedicated area of the Event Village (Promenade des Anglais, Quai des Etats-Unis, 06000 Nice) , the opening dates and times of which will be specified at a later date.

The allocation of bibs is firm and definitive.

The bib must be placed on your back and the plate on the front of the bike. They will be mandatory in order to access to the departure area and must remain completely visible throughout the race, including in the event of bad weather.

1.5. REGISTRATION CONDITIONS AND PRICES

Registrations for the Event may only be done on *time to* (www.timeto.com), from 20 November 2023 for the exclusive sales and from 22 November 2023 for the general public.

Any person who wishes to participate in the Event accepts to sign up as a member of *time to* beforehand. As a result, the participant must fill in a *time to* registration form and accept the *time to time to* Terms of Use and Confidentiality Policy unconditionally. The participant undertakes to only fill in the information relating to their identity.

All registrations to the Event are personal, final and irrevocable, and refunds cannot be issued under any circumstances, unless it is specifically mentioned in the Rules.

Each registration gives rise to a bib. Bibs cannot be transferred under any circumstances.

Anyone who transfers his bib to another person will be held responsible in the event that the latter is the victim of or causes an accident during the race.

The organisation declines all responsibility should such an accident occurs.

In case of registration as a team, the registration of each team mate is irrevocable and final : no replacing of a teammate will be possible.

Feeding points will be set up along the course for all participants.

1.8. GENERAL SERVICES

Road safety is ensured by the Préfecture de Police, the medical service by the Organiser's medical service provider and, if necessary, by an approved civil defence association. The latter may decide to withdraw a participant from the race for medical reasons. Under no circumstances can the Organiser be held liable if a participant is unable to finish the race as a result of a decision to withdraw from the race taken by these general services.

1.9. ACCESS TO THE SITE AND SECURITY

The introduction onto the Event site of any potentially dangerous or illegal items, including drugs, firearms, blunt objects and explosive materials is strictly forbidden.

In order to gain access to the site and to be able to participate in the Event, the participant expressly acknowledges and accepts that the Organiser may call upon security personnel, who will be authorised to check both persons and their personal belongings. Any person wishing to access the site agrees to submit to this control. In the event of refusal, the person will not be authorised to access the site.

The Organiser and the security staff are entitled to refuse access to or continuation of the Event to participants whose behaviour is likely to disrupt the smooth running of the Event, in particular and without limitation: introduction of any object which could potentially hinder in any way whatsoever the progress of the race, traffic and/or the safety of other participants; introduction of any distinctive sign promoting, in any form whatsoever, a political, philosophical or religious opinion likely to damage the image of the Event; abnormal, inappropriate or amoral behaviour on the part of the participant, particularly if the latter appears to be under the influence of drugs or alcohol.

The proposed routes will be mainly on roads open to traffic.

For everyone's safety, it is essential that each participant **RESPECTS THE FRENCH CODE DE LA ROUTE** throughout the route (traffic lights, right of way, cycle paths, etc.). It is important to be vigilant and to respect these rules if you are to live together in these public spaces in optimum conditions.

Safety personnel will be present at the main intersections/road crossings to facilitate the passage of participants, although they will not be able to guarantee priority passage. It is essential to respect the French Code de la route and the instructions given by the Organiser's staff and the police on the route, which will be signposted by material means (arrows and tape) and human means (individual "route assistants").

Event security will end at the finish line.

1.10. TIMING SYSTEM

Non applicable

1.11. WITHDRAWALS AND TIME LIMITS

Except in the case of injury, any participant wishing to withdraw must, as far as possible, inform a member of the organisation, who will permanently invalidate his bib.

End-of-Event mobile dispositive: constituted of a minibus, will only take charge of participants who have fallen, suffered mechanical damage or physical problems and who are unable to reach the finish by their own means. Any participant taken in charge by this mobile unit will see his bib invalidated.

Participants will have a maximum of 9 (nine) hours to complete the route to the finish line. Once this time barrier has been passed, the Event is considered to be over: you are therefore informed that you will no longer be able to benefit from any form of assistance whatsoever from the Organiser (medical assistance, refreshments, etc.) and that you must return home by your own means.

1.12. INSURANCE

Civil liability insurance: In accordance with current legislation, the Organiser has taken out insurance covering the financial consequences of its civil liability, that of its employees and of all participants in the Event. With regard to the civil liability of participants, the intervention of this insurance for the latter is limited to accidents that they may cause during the course of the Event. This guarantee will be provided in addition to or in the absence of other insurance policies that the participants may have elsewhere. Proof of insurance can be provided to any participant on request.

Personal accident: All participants in the Event, whether or not they are members of a sports federation, may take out insurance when they register for the Event, or at the latest when they collect their bib, guaranteeing the payment of a lump sum in the event of body injury (death or permanent disability) due to an accident occurring on the course of the Event. Compensation, depending on the damage and the cover limits chosen, is paid if the insured person is the victim of an accident while taking part in the Event.

THIS INSURANCE IS OPTIONAL BUT STRONGLY RECOMMENDED. It can be taken out in addition to, or as an alternative to, similar insurance held through a sports licence.

Such insurance can be taken out with the insurer of your choice or with the broker MARSH; you will find the offers here: <https://aso.sam-assurance.com/parisnicechallenge>. Please contact Alain BARONI or Séverine DUBOIS (assurances.aso@marsh.com / + 33.6.80.28.65.42) for further information or to take out a policy.

Material damage: The Organiser declines all liability in the event of damage (theft, breakage, loss, etc.) to participants' personal property, even if the Organiser is responsible for its surveillance. The participant, in his capacity as owner, expressly agrees to retain custody of this personal property during the Event. This applies in particular to any damage suffered by the participant's personal belongings while they are left in the locker, which may be set up during the Event by the Organiser. Participants may not claim against the Organiser for any damage caused to their equipment. It is the responsibility of each participant to take out insurance to cover these risks.

1.13. USE OF IMAGES

1.13.1. Participant's image:

As the Event may be recorded for the purposes of communication to the public, in any form (notably photo, video...), on any existing or future support, in any format, for any communication to the public worldwide, for any use including advertising and/or commercial purpose, each participant expressly authorises the Organiser, its assignees or beneficiaries (notably its commercial partners) to record and reproduce, on any support and by any means, and subsequently to reproduce and represent, without remuneration of any kind, his/her name, voice, image and, more generally his/her sports performance in the context of the Event (hereinafter their "**Image**"), for a duration not exceeding ten (10) years following the date of the Event. In this respect, the participant expressly authorises the Organiser to grant sub-licences to the Event's partners to use his/her Image for commercial and advertising purposes.

To this end, each participant expressly and irrevocably authorises the Organiser, its assignees or beneficiaries (notably its commercial partners), in order to meet the requirements of advertising, promotional and/or commercial campaigns, to:

- make any modification, addition or deletion that it deems useful for the exploitation of its Image under the conditions defined above,
- associate and/or combine with his/her Image all signatures, catchphrases, slogans, captions, trademarks, distinctive signs, legal notices, visuals and, in general, any element of any kind chosen by the Organiser to illustrate the communication supports in which they are integrated.

The participant guarantees that he/she is not bound by an exclusive contract concerning the use of his/her Image.

The participant is informed and accepts without reservation that his/her participation in the Event implies the record of his/her Image by the Organiser's official service providers. His/her Image reproduced in photo and/or video format will be accessible on the time to website in the "My Account" area and for one (1) year on the Event website in the "Results" section and, if applicable, on the website of A.S.O.'s photo and/or video service provider. With regard to the Event website, the participant accepts that he/she may be identified by any internet user providing his/her last name, first name and/or bib.

If you wish to object to such publication for a legitimate reason, you must communicate this decision to the Organiser at parisnicechallenge@aso.fr, before the Event and at the latest thirty (30) days before the Event, so that appropriate measures can be taken.

1.13.2. Event images:

Any communication of still images and/or animated sequences of the Event, by the participant, recorded during his/her participation in the Event must be limited to personal use and may in no case be used for promotional and/or commercial purposes outside the Event.

The Organiser will reply within the legal deadline of thirty (30) days, if your request is complete.

Once your results have been published, they may be used by any media. Any publication of the results by a media outlet constitutes processing of Data for information purposes, and in this sense constitutes a derogation from Data protection. However, if you wish your results to be dereferenced by any third party site, A.S.O. cannot act as an intermediary. We invite you to contact them to make any request relating to your rights.

Duration of Data retention

The Data is kept for a period of three (3) years from the end of the Event. At the end of this retention period, and for limited reasons authorised by law (payment, guarantee, disputes, etc.) or any other purpose specified in A.S.O.'s General Terms and Conditions of Sale, A.S.O. will temporarily archive the Data in a secure digital safe located in France. Only duly authorised A.S.O. personnel will be able to access it for the period of time required by law depending on the type of Data and the purpose of the archiving. After this legal period, A.S.O. will delete the Data definitively and securely.
